DOCKET NO. 23-02-EL

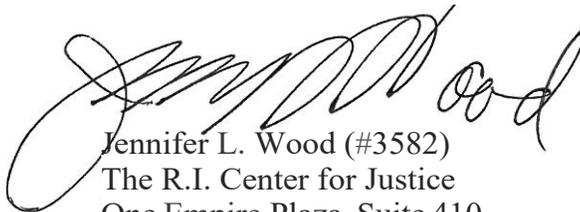

**COMMENT OF THE
GEORGE WILEY CENTER**

The George Wiley Center submits this comment for the sole purpose of supporting the implementation of the Tariff Advice to Provide RGGI Bill Credits to A-60 Customers as set forth in the RI Energy filing in this Docket and without delay.

As we understand it, the tariff as filed will result in the application of the bill credit to A-60 Customers as soon as is practicable after March 1, 2023. The George Wiley Center supports the expeditious implementation of the RGGI bill credits to A-60 Customers.

WHEREFORE, the George Wiley Center, through its counsel the R.I. Center for Justice, requests that the Commission permit the proposed tariff to go into effect as proposed in the filing.

Respectfully submitted,
